ALUMINIUM ALLOY

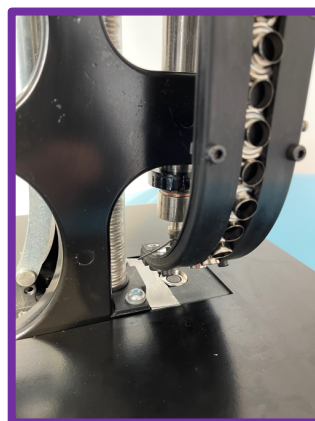

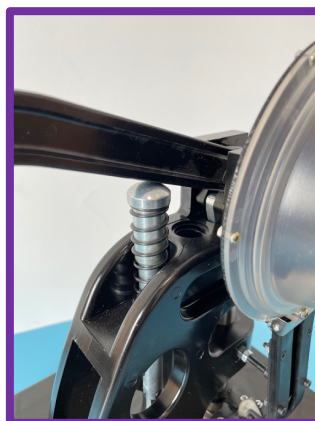

VISUAL TANK

PERFECT PERFORMANCE

The Semi-Automatic Grommet machine is our new product innovation. The tank holds 100+pieces of eyelets meanwhile 100+ washers hold in the tube. Eyelet and washer flow to working position by just one action. The Visual Tank is made of PA, it is convenient inspection, the surface is smooth, and the whole body is inclined to the turntable for convenient eyelet down. Omni-directional wheel will offer more convenient for your operation.

Carton Size: 0.42*0.36*0.53M N.W 9.8KGS G.W 11KGS Eyelets Size: 19mm*10mm*5.5mm
